“ Jerome's positive personality was contagious. He made everyone smile and feel good. Sometimes Jerome would say "I guess I could complain but what good will that do?". As his co-worker, you can see the impact he had on everyone. People all over the organization knew and cared about him. He laughed and joked a lot, dressed stylishly, danced well and treasured old skool ways.

His job duties were very valuable to the organization because when he was out of the office, management had to recruit the right kind of person with the right kind of personality to fill in for him. Jerome seemed to always be a critical part of a key organization special event or activity because of a job requirement or just because he volunteered to help out.

Jerome carried himself like a young person. He was retirement age but somehow know one expected him to leave anytime soon. Based on conversations with him, Jerome cared for his family very much. He took care of his mom when she was sickly and didn't expect help if it was not offered. He did what he had to do to get it done. That was Jerome.

Jerome will be missed but knowing that he is not suffering and is in the hands of the Lord somehow makes it all better. His positive energy will live on.

“ Jerome was a pleasure to be around. He loved life and shared his good heart with everyone who knew him. At the end of a hand dancing function we would say to each other "See you on the wood." So now Jerome will be dancing with the Angels.

“ The Jackson Sr. family send our deepest condolences to the Graves Family. Jerome will truly be missed by us all. He was a very special and loving man who walked with the biggest smile. The promises we made will never go unbroken and the talks we had will never be forgotten. Jerome left us with many fond memories to be remembered. Our hearts are truly heavy with the loss of his physical presence in our lives, even though our Heavenly Father left us with Jerome's undying love in our arms.

"Our good friend Jerome is now dancing for Jesus in the Gates of Heaven"
We love you and We MISS you!

“ I offer my sincere condolences to the Family and Friends of Jerome. He was one of the nicest Gentlemen I had the pleasure of dancing with. Being military commrades, I often provided VA information to him as I received it and he was always thankful. I will truly miss my buddy and will never forget the guy I nicknamed "Tippy Toes". RIP Jerome

“ To the Family of Jerome Graves:

Jerome was a nice and kind co-worker who embraced everyone with his smile. He spoke to everybody. His positive energy will be deeply missed. Jerome was an all around happy person at work who loved to tell jokes (he would be the one laughing though). He wanted everybody to be happy and he went that extra mile to make us happy. Anything you asked of him, he would do it for you because Jerome cared about the job and his co-workers. He was a respectful gentleman. Gone too soon!

A smooth dresser and dance who received his wings! Rest in Jesus Jerome!
