

Whitt Dillard Nottingham

June 5, 1951 - June 16, 2020

Whitt Dillard Nottingham, Jr. affectionately known as “Unks,” “Uncle Whitty,” “Nott,” and most of all “Daddy” was born to the late Edna (Johnson) and Whitt Nottingham on June 5, 1951 in Baltimore Maryland. He departed this life on Tuesday, June 16, 2020 surrounded by his wife Laura and daughter Laurelle. He was a devoted husband, father, brother, uncle, friend and mentor.

Whitt lost his mother at an early age and was lovingly reared by his Dad, Whitt Sr., Grandmothers’ Ethel Smith and Irene Johnson, Sisters, Ethel and Yvonne in two loving Christian homes. The foundation of Christ was instilled by Grandma Ethel in Sandtown. The love of people and music began in Baltimore with Sister Ethel. While his love of the water and swimming started in Dundalk’s Turner Station with Grandma Irene and Sister Yvonne. Whitt spent spring and summers there to receive continued nurturing from his family.

The Sandtown community played an important role in building his character. Family and neighbors encouraged Whitt’s participation in the swim team, Woodyear Street baseball and football teams. He enjoyed the Boy Scouts and reached the level of Eagle Scout. Families often gathered for cookouts, house parties and harmonizing. Whitt always enjoyed a good song and fun with sisters Ethel and Yvonne and their children: Jackie, Kevin, Nickie and Joe. Everyone had a good old fashioned time.

Whitt was educated in the Baltimore City Public School system and graduated from Frederick Douglass High School (DHS).

It was here his leadership and musical abilities were developed. Whitt had a smooth tenor voice with excellent pitch. He was a member of the Student Council, Hall Monitors, the DHS Glee Club and the traveling musical ensemble, which included the DHS choir, band and the dance club. He also volunteered with the community church choir. On that choir he met a lovely young lady, Laura Johnson. Friends who remained close throughout his life were a part of this DHS family. They continue today as members of the Class of 1971 Alumni Association.

Whitt attended Morgan State University (MSU) in 1971 studying physical therapy. There he formed more friendships which lasted his entire life. He became a life member of the National Society of Pershing Rifles Alumni Association at MSU. This group of men and

women mentor collegiate military students and are “serving world wide in support of homeland defense and the global war on terrorism.”

In 1972 Whitt married his soulmate, Laura Nottingham. They were happily married for just shy of 48 years. From this union they were blessed with their only child, a beautiful and caring daughter, Laurelle.

Whitt worked for Greenspring Dairy until 1974 when he joined the Baltimore City Fire Department (BCFD). Upon graduation from the BCFD Training Academy, Whitt began his life's work in November 1974. He graduated and was assigned to Engine Company 17 where he served his first five years.

In 1979 he requested a transfer to Engine Company 36 “the Old School”. There he developed his skills as a highly esteemed and revered firefighter. During his career, he acquired numerous certifications, awards and recognitions.

With a love of athletics and water sports, in 1985 he became a certified diver and traveled worldwide as a recreational diver.

Whitt swam the waters of Micronesia, Fiji, Truk islands, The Caribbean and Mexico, to name a few. He was also member of the Black Divers Association.

Whitt and Jimmy Hayes later joined the BCFD Dive Rescue team as the first Black Certified Dive Rescue Technicians. This opened doors for Whitt to become a volunteer diver at the National Aquarium in Baltimore (NAIB). It also gave him an opportunity for a part-time career as an Emergency Medical Technician. Whitt helped patients and staff with his lively and upbeat attitude. Whenever possible, he would assist the community with career opportunities.

Whitt joined and maintained an active membership with the Vulcan Blazers, Inc. a professional Association of African American Firefighters. This is an affiliate of the International Association of Black Professional Fire Fighters. While there, Whitt served in many capacities: Chairman Board of Directors, Chairman of the Southeast Regional Conference, Co-Chairman of the 25 Year Anniversary Committee and various community outreach projects.

Whitt later renewed his faith in Christ and convinced Laura to join Christian Life Church.

He lived his faith outside the church

walls by mentoring children and helping families in the community. As recent as four years ago he joined the Sandtown community in supporting fundraisers for back to school and food drives.

He had a huge heart and was always available to provide a helping hand to all in need.

His travels during retirement as an avid jazz and sports fan took the family on great trips to North America, Europe and Northern Africa. He attended and loved the Montreal, Cancun, Mediterranean and Hampton VA jazz festivals.

Whitt officially retired on August 9, 2006. He adjusted well to retirement living and would not let “Sweet Laura” give him any “honey do” projects. He became a member of the

BCFD Retirees Fire Fighter and Officers Breakfast Club. While there, he enjoyed lively conversation and sumptuous meals.

Whitt enjoyed life as a retiree and would fill the house with music from jazz to gospel to oldies. He also enjoyed cheering for the Ravens, the Orioles and the MSU Bears football teams.

He lived by one of his favorite scriptures Nehemiah 8:20 "The joy of the Lord is your strength." Whitt fought a good fight and kept the faith. He loved meeting and talking to people. He believed in helping his family and others succeed. He will live on in our hearts forever.

The family sincerely thanks Chief Roman Clark, The Baltimore City Fire Department, The Vulcan Blazers, Inc., The Retired Baltimore City Fire Fighters and Officers Breakfast Club, The National Society of Pershing Rifles Alumni, Morgan State University and March Funeral Home for assisting in the coordination of these services.

Whitt's legacy and love will continue to live in the hearts of his devoted wife, Laura; daughter Laurelle; sisters Yvonne Wesson (Joseph Sr.); Leta Smith (Harry); Loveeda Carter; Brother-in-law Louis Johnson (Linda); loving niece Jacqueline Washington (Eric); nephews Kevin Barber (Shelly); Joseph Wesson Jr.;

Roy Letterlough and a host of loving nieces, nephews, cousins and unforgettable colleges and friends. The Care Team Dr. Eric Fisher, Carmen RN, Billy Weakland, PT, Elaine Wanjohi and Pili Wood. Devoted close friends, Harry Smith, Deputy Chief Arlen Doles, Lt. Vernese Hilton, Charles Brown, Herb Chambers and Mabel Westley.

“ Whitt thank you for being there for my son, Spence, when he joined the Fire Department and was there at Engine 36. I was very proud of him but afraid for him at the same time. You made me less fearful and fretful by knowing that you were there to guide him along the way. God and you helped to keep him safe and for that I will always be grateful. Both of you managed to retire from the Fire Department in one piece and I'm grateful for that too. Now, you've retired from life's long journey and return to your eternal abode. May you forever rest in peace dear sir.

“ Dear Laura and Laurelle I was instantly saddened when I received the call that Uncle Whitt passed. I remember when I first met him we all were in Florida for Jackie and my brother Eric wedding and he and I kept crossing paths on the cruise ship. We would joke each other cause our paths kept crossing. I had no idea he was my future Sister n Law uncle until we all came together and I asked him what he was doing here and he said he was Jackie's uncle and I said to him she is marrying my brother. We burst into laughter cause now we found out why we kept running into each other. I knew from before we found this out that he was Good People. I always liked him and enjoyed his and your company when we go together over Eric and Jackie. I can sincerely say I will miss him. May God wrap his loving arms around you both and carry you through the days ahead and during your quiet moments when no one else is around. Cry alot and find time to laugh alot about the many memories you have of Whitt. Death can separate but never take away sustaining power of memories. Much deep heartfelt sympathy. Love Marsha.

“ Notty was always fun to work with at E36. I can still hear that one of a kind voice and laugh. Well we all remember the dog story. RIP Nott.

“ Mr. Nottingham is a true pillar of the National Aquarium in Baltimore, a friendly person who always had a kind word and smile for everyone. One day while working at the Aquarium, I was struck with kidney stones and Mr. Nottingham was the EMT on duty. I got sick on his shoes and felt so bad because he was my friend. He showed genuine concern for my wellbeing and went above and beyond to make sure I was okay. Diving with Mr. Nottingham in Florida with manatees was a trip of a lifetime. I enjoyed his friendship above and below the water. Thank you my friend for teaching me selflessness, commitment to the community, and inspiring me to be a better person. Rest in peace.

“ We had some great time s together. Fighting fires together and diving. His biggest joy was going to Aruba and Cosumel and earning 4 different certifications in 1 week. He was a good friend, and a great dive buddy. May you rest in peace old pal.

“ On November 11, 1974, fifty-five young men began their careers in the Baltimore City Fire Department. We lined up alphabetically in the auditorium of the Fire Academy, and standing right next to me was Whitt Nottingham. Whitt and I became friends over our 14 weeks there, and we worked together many times during our careers.

Do you remember the advertising slogan "Nobody doesn't like Sara Lee"? Well, nobody didn't like Whitt Nottingham. He was always friendly, open, warm, gracious, hardworking, helpful, and relentlessly cheerful. I never saw Whitt without a smile on his face, and I never once heard him an unkind word about another person...he was a true gentleman.

Whitt spent the vast majority of his career at Engine Co. 36 in West Baltimore, where he served the community honorably, with courage and dedication. Those us who called him our friend consider it a privilege to have known him, and we hope his memory will always be a blessing to his family.

Rest in peace, my brother...God bless you.

“ Whitt always called my Father his buddy. I connected with Whitt at Engine 36. He always looked out for me in those burning buildings. I can hear him yelling thru the fires, "Johnny, where you at". I will also remember him as a fun loving man. RIP Whitt.

John Johnson, Jr - June 18, 2020 at 04:37 PM

“ My first memory of Whitt was in the 1100 Block of Appleton Street. My first day at Engine 14 1pm in the Afternoon, my first fire. Scared rookie 20 years old in a house full of fire moving along with Capt. Feeley on my back bumped helmet to helmet with Whitt. He looked at me and said "Who the hell are you" punched me in helmet laughed at me and said" Just kidding young blood" laughing the whole time. Made me relax and the rest is history. He had a knack for making people relax and feel at home around him. I will always cherish our talks at Engine 36 and never forget what you told me. I lived my career by it. ALWAYS LOOK OUT FOR THE YOUNG BLOODS! Rest In Peace my good friend!

“ My first memory of Whitt was at my family church on Calhoun st. St Paul's. I was about 6-7yrs old and he had that same kool-aid smile as he sang with my older cousins from Cherry hill. I later ran into him in 1981 down the Blazers I being a rookie at 34 Eng. He still had that smile and the assurance that he was your brother. I never saw him without that smile when you needed it. Rest in peace Brother.
