“ *Dot and Craig, I am so sorry to hear of your mom's passing. I have so many special memories of both your parents during our high school days. I'll forever cherish them. About five or so years ago, while sitting in the hairdresser's, I looked over and said, "Mrs. Glisson?" She hadn't changed at all. It was so good to see her! We spent most of our time there just catching up. She had a picture of Lauren in her wallet and couldn't stop bragging about her and all her other grandchildren. I shared with Felisha that your mom passed. We all grieve with you. Your mom was special to all of us, and will be missed. Love you all, and miss you too! Gail*

“ Not much that I can say about auntie Clara that hasn't already been said. I still can't believe you are not here anymore. I am fortunate that I was able to see you for my birthday last year after my accident. I remember you telling me to not give up and keep moving even when things get rough for me. You were a great role model when growing up. I won't say goodbye but I will see you later, you are not gone just away! I love you auntie Clara say hello to my mom and uncle Ray while your up there. 🥹
