“ Oh Cornell!!! Such a loving caring person. I remember the last time I saw you before I quit our work that day. As I cried through our inspection of the building materials you were so wonderfully kind. I was so glad you quit too and got a better job. We spoke about the Lord many times and I am looking forward to seeing you when I cross over into eternity. Missing you, but rejoicing that you are with the Savior! Cathy Mathias

“ Cornell and I developed a very close relationship throughout the years. He was a good man and an outstanding father. He loved his daughters to the moon and back and spoke so highly of them. I've had the pleasure of making some good memories with him that I'll take with me forever. My condolences to the entire Parker family. I'm sorry for your loss. My thoughts and prayers are with you.

“*Cornell was the absolute sweetest person who offered me so much help in the office no matter what the subject. He was gently spoken, never raised his voice and was eager to lend a hand. He would always remember to ask how I was doing and spoke so lovingly and proudly of his girls. I’m grateful I had the chance to chat with him very recently. He sounded like the same, kind Cornell. God bless him and wishes of comfort to his family.*

“ *A great man who was always a joy to be around. Loved his kids with all of his being and literally lit up with joy when he talked about them. Taken way too young and will truly be missed. God bless to him and his whole family in this awful time.*
