

Terrence Christopher Trent

December 21, 1960 - June 10, 2026

Terrence Christopher Trent was born on December 21, 1960, in Baltimore, Maryland, to Julia Trent. He departed this life on June 10, 2026, of natural causes.

Terrence lived with cerebral palsy throughout his life. Though he was unable to walk or speak, his life was filled with meaning, love, and connection. He spent much of his life in assisted living homes and nursing facilities, where he was cared for and supported.

Although Terrence could not communicate with words, those who knew him understood his expressions. His face would light up when familiar loved ones entered the room, showing the joy and recognition he felt. He especially enjoyed watching sports and race cars, which always brought excitement and happiness to him.

Terrence leaves to cherish his memory his loving sisters, Cheryl Trent and Carleatha Trent, along with a host of nieces, nephews, great-nieces, and great-nephews. Though his life was marked with many challenges, Terrence's life was a reminder of strength, endurance, and unconditional love. Today we find comfort in knowing that he is now at peace, free from pain and resting in the presence of the Lord." To be absent from the body, is to be present with the Lord."
